What the day involves

This popular day is packed with great opportunities from start to finish. This year we will be at the renowned Old Thorns Golf Club in Liphook Hampshire, officially opened in 1982 by Jack Nicklaus, Seve Ballesteros, Isao Aoki and Bill Rogers. A round at Old Thorns will see you walking in the footsteps of the game's greatest players. Old Thorns offers an 18 hole course, designed with all types of players in mind, their par-72 course is both forgiving for the less advanced golfers but still a challenge for the best, while offering spectacular views over the South Downs National Park.

The day starts at the clubhouse in our private Kenwood Suite function room with coffee, tea and bacon baps, and a chance to meet up with your team mates. Join aimm for registration and collect your 'survival packs' which contain all the essentials to get you on your way. We will also present you with your driving range tokens, for your opportunity to warm up on the practice range before you take the green. You will then tee off at your given time and start your day!

This year our Golf Day will include full management with a dedicated Old Thorns Golf Coordinator which offers our players:

- Personalised score cards
- Start sheets
- Course maps
- Fact sheets
- Live scoring and results collation

On the day you will have the opportunity flag down the refreshments buggy which will be making its way around the green. Drinks and snacks from this buggy are kindly provided by our sponsor: **ENARPEE**

Along the way you will have the chance to compete on our Nearest the Pin and Longest Drive holes to be in for a chance to win one of the coveted Golf Day awards at the end of the day, and have the undying admiration of your fellow players.

After you have finished you will have the chance to freshen up and then enjoy a drink from the bar while comparing notes from the day.

We will then present the Golf Day awards, and announce the winners of the:

- Quad Players trophy
- Single Players award
- Nearest the Pin
- Longest Drive

After much celebrating of the winners, it will be time to enjoy the food.

A two course BBQ will be provided in our function room or outside on the balcony (weather dependant) with a range of both meat and vegetarian dishes to choose from followed by pudding.

Playing golf is about building relationships with your colleagues or clients. Your opportunity for business conversations will arrive after the round while having a drink or sharing a meal. Golf is a great way to enhance your network and deepen the connections that can lead to business opportunities.
