What the day involves

BRING YOUR TEAM, BRING YOUR CLIENTS AND HAVE A DAY OF NETWORKING TO REMEMBER.

The day will start with **bacon rolls and coffee**, and a warm up for the day ahead on the **driving range**. During registration you will be presented with your players **goody bag** to see you off on the green with some essentials, as well as have a chance to chat with the other players and assess the day's competition!

This popular day is packed with great opportunities from start to finish. This year we will be at the beautiful Selsdon Estate Golf Club conveniently located just down the road from the bustling Surrey suburbia that is Croydon and conveniently located just 12 miles from the centre of London.

Cut from the thick forest that dominated the hotel's 200 acres at the time, this challenging 18-hole par 73 golf course takes around four-and-a-half hours to complete if walking. In addition to the nine par 4 holes, there are five par 5 holes, four of which measure over 500 yards and look out for the 17th hole - a memorable par 3 from an elevated tee across a valley.

The course was designed by five-times Open champion J.H. Taylor but has been extensively modified and improved in recent times, and enjoys magnificent views overlooking the Surrey Downs.

We are pleased to offer a **two tee start** for this day, which means less hanging around and more time to relax in the afternoon at the bar and enjoy the BBQ.

On the day you will have the opportunity to flag down the **refreshments buggy** which will be making its way around the green. Drinks and snacks from this buggy are kindly provided by our sponsor: **ENARPEE**

Along the way you will have the chance to compete on our Nearest the Pin and Longest Drive holes to be in for a chance to win one of the coveted Golf Day awards at the end of the day, and have the undying admiration of your fellow players.

After you have finished you will have the chance to enjoy a drink from the bar while comparing notes from the day.

We will then present the Golf Day awards, and announce the winners of the:

- Quad Players trophy
- Single Players award
- Nearest the Pin
- Longest Drive

After much celebrating of the winners, it will be time to enjoy the food. If the weather is with us we will enjoy al fresco dining on the Terrace with a BBQ with something for everyone.

How to get there

Only 14 miles from London, the hotel is easily reached from J6 of the M25 and close to Gatwick and Heathrow. Trains from East Croydon Station take you to London Victoria and London Bridge in just 15 minutes.

“My worst day on the golf course still beats my best day in the office”

The opportunity to spend time with suppliers, partners and colleagues alike should be valued, and a round of golf provides the perfect opportunity to discuss key issues and network in an informal and friendly setting.
